ISSUE 03 // JULY 2019

A NOTE FROM TAMRYN

The past six months have been saturated with salvation and liberation. The message of the cross is irresistible to the starving soul. When preached, it produces the exquisitely predictable result of lives forever changed. What follows in this newsletter is a summary of what lies behind and insight into what lies ahead for the remainder of 2019. The second half of this year is going to bustle with soul-winning, saint-equipping endeavours. Please keep each event in your prayers. They are packed with stunning potential.

SIX MONTHS OF SALVATION

We kicked-off this year with a crusade in Sawla, Ethiopia (28 February - 3 March) and Fire Night in Atlantis, South Africa (22 March). Both are areas in desperate need of the Risen King, albeit for different reasons. Sawla is rural, remote and forgotten, besieged both by witchcraft and the cold indifference of religion. Atlantis by comparison, sits on the edge of the bustling city of Cape Town, its challenges circling from criminal-activity to drug-addiction and back again. It always thrills me how the nature of the problem is irrelevant. Jesus is the answer. If we build our lives on Him, there is life and hope. Both Sawla and Atlantis encountered the saving Lord. Tens of thousands filled a dusty field in Sawla and hundreds packed a school hall in Atlantis. The same Gospel was preached and the same results ensued: salvation, healing, deliverance. Thereafter, our team moved on to crusade in Madabani (10 - 14 April) and hold a Fire Night in Hanover Park (21 June), both South African locations.

Hands raised in Sawla

Heads bowed in Madabani

Madabani sits in an area of the Limpopo province rife with Satanic rituals and Hanover Park is renowned for incessant shootouts between rival gangs. Many will not venture into Madabani because of the black magic nor Hanover Park because of the danger. What hot-spots for the Gospel! Madabani was swept into the arms of Christ and Hanover Park was wondrously impacted by His limitless love. The pastors rejoiced over the number of new converts and got quickly to work diligently disciplining them. The growth of these local congregations is the aim of every one of our efforts. Heartfelt thanks, precious reader. Your prayers and support have made each moment of impact possible. You are part of the In His Name family and together, Africa is being saved! Please visit **inhisname.global** should you wish to read more detailed reports on these past events.

Hanover Park responds to the Gospel

Praying for the needy in Hanover Park

Exciting News

I have some very exciting news to share. In His Name is officially registered as a non-profit organisation in Ethiopia! This was an impossible feat due to government restrictions and was achieved by nothing less than the hand of the Lord. Our registration will enable us to crusade there with even greater effectiveness. It is a nation desperately in need of Gospel impact, with a population of 100 million and over 80% of these inhabitants not yet knowing Jesus as Saviour. Its position against the northern Islamic nations of Africa makes it extremely strategic. There is much work to be done and tremendous inroads to be made for the Kingdom. By being registered both in South Africa and Ethiopia, we can labour simultaneously in both the south and north of the continent. Hallelujah!

COMING NEXT

The next six months are busy ones for our team. Three crusades will be held. First, Mphagani, South Africa (25 - 29 September). Mphagani is a rural village community in the Limpopo province that sits about 40km south west of Giyani. Then, Ambo (31 October - 3 November) and Shashamane (5 - 8 December) which are both small Ethiopian towns. Ambo can be found 100km west of Addis Ababa while Shashamane is located 250km south of the capital city. We are already hard at work together with the local pastors, arranging logistics and rallying the Body of Christ to invite the unsaved.

In each of these locations, tens of thousands will be introduced to the Captain of their salvation. How fantastic! Then, two Fire Nights will be held. The first will be in September in another gang-ridden suburb of Cape Town, South Africa. The second will take place in the USA on 8 November at Faith Assembly (Orlando, Florida). Both are stunning opportunities to win the lost, set the captives free and ignite believers to win their communities for Jesus. From the tip of Africa to the east coast of America, our Fire Nights will blaze forth the glory of God. Keep your eye on firenight.org to keep up with our Fire Night schedule.

ES Connect 2019

Evangelist Support Network - the network for evangelists that In His Name funds and spearheads - is holding a conference for evangelists at the end of August (29 - 31). We have arranged a programme of red-hot speakers who will pour into those gathered for three noteworthy days. Topics range from intercession and preaching to administration and crusade planning. This conference will not only equip evangelists with pivotal knowledge but also, connect them with their fellow soul-winners so that Kingdom relationships can be forged. We are very excited for this opportunity to uplift the next generation of soul-winners. Please know that your support of In His Name impacts many other ministries as well, through initiatives such as ES Connect. See esnetwork.org for more information.
